### How to use this guide:

This list provides information on a variety of “affordable\*” temporary accommodations near Massachusetts General Hospital (MGH) as a convenience for patients and their families. These listings are provided as a convenience for our patients, however MGH does not endorse any non-MGH affiliated facilities.

- **The accommodations in this guide are divided into several categories: hospital-affiliated facilities, specialized accommodations, hotels, bed & breakfast/inns, a reservation service, and short-term apartments.**
- **A comparison chart for hospital-affiliated facilities, specialized accommodations, hotel and bed and breakfast/inns is located on pages 2-5.**
- **Contact information for all facilities is located on page 6-8.**

To make a reservation at any of the following facilities, please call that facility directly.

### Table of Contents:
